

Noble Canyon

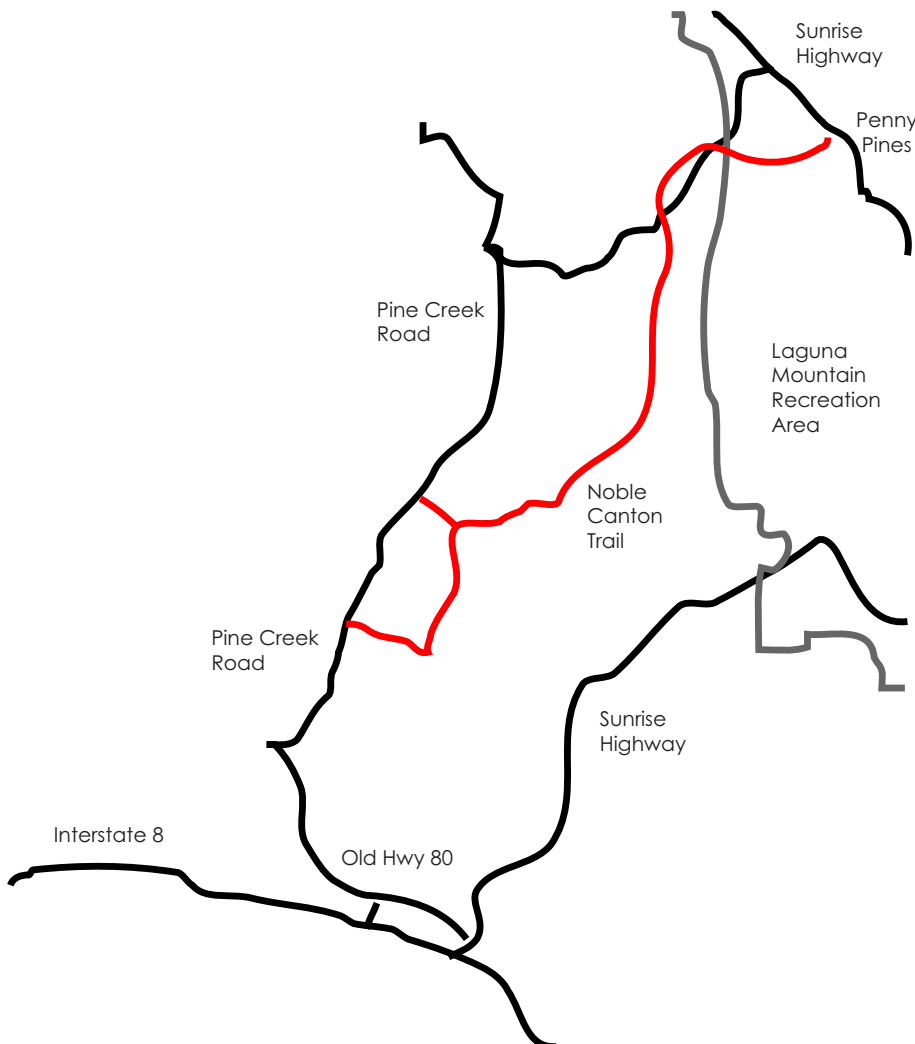

Directions to the Park

To get to the Pine Creek Trailhead, take Interstate 8 east to the Pine Valley exit. Turn North 1/4 mile and turn left on Old Highway 80. Follow Highway 80 1.2 miles to Pine Creek Rd. You will see the trailhead parking lot on the right.

To the Penny Pines Trailhead, drive east on Interstate 8 to the Sunrise Highway exit (The next exit after Pine Valley). Follow the Sunrise Highway to the Penny Pines Trailhead. The parking lot is directly past a cattle grate. There are almost always cars parked here. The Noble Canyon and Big Laguna Trails start from here.

Best Route:

The Noble Canyon Trail is well mark for its entire distance. There are few areas to get off the trail, and most of those take you back to the trail anyway. Towards the bottom of the trail there is one that can be confusing. The Noble Canyon Trail will T at another trail, with only the Noble being marked. At this point you should go left. However, if you make the wrong turn, you will still end up at the Pine Creek Trailhead, you will just have to follow Pine Creek for about a half mile.
